

GURGAON BENGALEE ASSOCIATION

Annual Activity Report | Financial Year 2025–26

A Comprehensive Review of Activities, Events & Achievements | April 2025 – May 2026

Message from the Executive Committee

Dear Fellow Members,

It is with great pride and gratitude that we present this Annual Activity Report for the Financial Year 2025–26. This has been a year of remarkable progress for the Gurgaon Bengalee Association — marked by cultural celebrations, community welfare initiatives, significant administrative milestones and the inauguration of our new Club House.

Over the course of this year, your Executive Committee has worked tirelessly to organise twenty-five impactful activities — ranging from our beloved annual festivals such as Durga Puja, Kali Puja and Saraswati Puja, to health initiatives including a CPR Training Workshop and a Medical Camp in collaboration with Manipal Hospital; from environmental drives and clothing distributions to the Mahila Samity's saree and food distribution initiative; from relief contributions for Calcutta flood victims to participation in sports tournaments, and from statutory compliance milestones to the upcoming Dance School and Library at our new Club House.

These achievements are a testament to the collective spirit, volunteerism and dedication of our members. We express our sincere appreciation to every leader, volunteer and member who contributed their time, resources and energy to make each activity a success.

We look forward to an equally vibrant and purposeful year ahead. Thank you for your continued trust and support.

Closing Note

The financial year 2025–26 has been a transformative year for the Gurgaon Bengalee Association. From securing our legal registration under the Government of India's NPO Darpan framework to inaugurating a new Club House, from winning the Best Pratima Award at Bijoya Sammilani to organising community health camps, from donating to Calcutta flood relief to the Mahila Samity's tireless social welfare work — GBA has demonstrated its commitment to cultural preservation, social welfare and member well-being on every front.

Our membership currently stands at 155 active members, and the new cycle beginning April 2026 promises continued growth. All statutory filings — ROA and ITR — are up to date, and GBA's revised registration certificate (No. 02417) ensures our institutional standing remains strong. As we look ahead, the upcoming Dance School and Library at the Club House mark the beginning of a new chapter in GBA's cultural journey.

We invite every member to remain engaged, participate actively in forthcoming events and continue to be the strength of our beloved association.

Warm regards,

Executive Committee
